## **Drinks consumption policy on board the VCL**

1. Please do not overindulge in alcoholic beverages and be considerate of your fellow residents.
2. Residents with a premium drinks plan can have up to 15 alcoholic drinks per day. (drinks from the minibar are not included in the 15 drinks).
3. There is no daily limit on the amount of alcohol that can be consumed free of charge, but VCL staff may refuse further service if they believe that the resident is intoxicated and is causing a disturbance to other residents on board.
4. If the VCL staff determines that the resident is in a drunk state and refuses further service, the VCL staff will ask the resident to return to his/her cabin. If the resident refuses this request, the security service shall be informed of the problem and may act in accordance with the relevant regulations.
5. If action is taken against the tenant at least three times for causing problems on board while drunk, the VCL may terminate the tenant's tenancy without giving a reason. In such a case, the termination of the tenancy agreement will entail financial penalties and the tenant will lose the refund of the deposit.
